Matthew 25 Ministries - The mission of Matthew 25: Ministries is to fulfill Matthew 25:34-40 of the New Testament by providing nutritional food to the hungry, clean water to the thirsty, clothing to the naked, affordable shelter to the homeless, medical care to the ill, and humanitarian supplies to those in need. Additionally, Matthew 25: Ministries is committed to fulfilling Matthew 25:40 by educating the public on the conditions and needs of the “least of these” and by providing resources for action.

New Life Furniture - We are a furniture bank. A furniture bank operates very much like a food bank, but we provide gently used furniture instead of food. We serve folks coming out of shelters who have overcome homelessness or fled an abusive situation. The families we serve often move into their housing with only the items they were able to carry during their difficult period.

We care for 78 guest families every night, providing them with a "home away from home" while their children receive medical treatment. In addition to providing a comfortable bedroom, we surround our families with love and support from our volunteers, staff and other guest families who share the same hopes and fears.

This restaurant provides training for inner-city residents who face barriers to employment. Residents of the West End, Over-the-Rhine, and other inner-city neighborhoods are the inheritors of poverty, injustice and disinvestments with few positive employment options. It provides paid training in a supportive work environment with high expectations and varied experience. This empowers trainees to further their education, providing instruction in basic life skills and paid job-training.
